[INDO-AIR Compressors Pvt. Ltd.](https://www.indoair.com), along with its associated group companies was established in 1977. We started as small-scale manufacturers of compressor parts for OEMs (Original Equipment Manufacturer). In 1998, we launched our own brand of compressors and vacuum pumps . We have products in a wide range, from 1 - 270 HP which have been in great demand in the domestic and international markets, as they are high in quality and very reliable.

Manufacturer & Exporters of Reciprocating & Rotary Screw Lubricated / Non Lubricated Air Compressors, [Vacuum Pumps](#), Replacement Spares, Heavy Precision Fabricated / Machined Parts for Hydro / Gas Turbines, Steel Plants, Plastics / Rubber Processing & Beverages Machinery.
